

Hazero Sorbent Pad - Chemical - Heavy Weight

Product Code: 06-1003

Benefits

Designed to handle the worst of the worst when the worst happens. These tough-as-nails Hazero Sorbent Pads will go where others fear to tread - soaking up highly concentrated corrosives and some of the most dangerous liquids out there.

Colour coded in hi vis yellow for staff safety and effective management of potentially high-risk liquids, these pads protect everyone in the vicinity of spills from harm and contamination, and our environment.

Recommended for use with our safety gloves.

Features

- For all harsh liquids, including acids and corrosives
- Double ply construction
- Perforated for easy use
