

Hazero Sorbent Roll - General Purpose - 800mm x 50m

Product Code: 07-1001

Benefits

This Hazero Sorbent Roll definitely isn't finicky. (If Brussels sprouts were a liquid, it wouldn't hold back.)

It'll mop up all mild liquids including detergents, water and everyday spills of oil, fuels, and mild acids. And a roll absorbs up to a whopping 144L.

Businesses have also found them handy for deployment to clean-up and stop spills along assembly lines, preventing possible slips or contamination.

And that's over-and-above their day job of keeping workplaces tidier and safer, and protecting staff and our environment. (The optional dispenser makes it even better!)

Optional dispenser: 07-1010.
