## Sorbent Roll - Oil Only - 400mm x 50m

Product Code: 07-1004

### Benefits

This specifically targeted, hydrophobic Hazero Sorbent Roll won't absorb a drop of water. That makes it ideal for taking on hydrocarbon spills in any workplace that's near the sea or rivers; for boaties, and even as a buffer around machinery on production lines.

Reaching for a roll provides confidence of clean-up performance and helps keep people, workplaces, and our aquatic life and environment safe. Great news for everyone from dedicated whitebaiters to occasional paddlers.

It's practical and simple to use with the option of a dispenser to make life even easier.

Optional dispenser: 07-1009.

### Features

- For oils, fuels, and solvents – not water
- Marine family
- Heavy weight - won't break-up or disintegrate while doing its job
- Double ply construction
- Perforated for easy use
