

Specification sheet

Hazero Sorbent Sock - General Purpose - 3.6m

Product Code: 08-1004

Benefits

Dense construction and a 3.6m length give this sock an impressive 15L capacity per sock. That and its appetite for mild liquids of every kind (oil-based, water, detergents) make it a very practical, efficient bund for a range of industries from manufacturing to food retail.

As everyone knows, it pays to get in first. This sock can provide a pre-emptive strike against spills that could cause everything from workplace slips and falls to stormwater contamination. Fortunately, it has broad shoulders!

Features

- For all mild liquids, including water based
- Exceptional, flexible liquid control across a range of applications
- Durable and reliable in busy work environments

Specifications

- 100% polypropylene
- Colour: dark grey
- Absorbs up to 15L per sock
- Dimensions: 75mm x 3.6m (w,l)
