

Hazero Drain Protector - Polyurethane - Small

Product Code: 22-1000

Benefits

An unbeatable seal against the harshest chemicals, this drain protector is an all around eco-warrior, protecting our storm water systems and vulnerable aquatic life.

Reusable time and time again, its solid but flexible material is also reversible and environmentally safe.

A recommended addition to any spill kit.

Storage case: 22-1022.

Features

- Resistance to harsh chemicals
- Easy to deploy
- Flexible so it moulds to shape
- Reusable – if washed and repackaged
