

Hazero Drain Protectors - Nitrile - Large

Product Code: 22-1013

Benefits

When it comes to protecting our drains, it's everyone's responsibility.

These 100% nitrile drain protectors help businesses do their part by effectively sealing off access to spills.

Durable and affordable, they provide a good level of resistance to oils, hydrocarbons, and mild acids. As a result, our waterways will be cleaner and our aquatic life will be safer. Great outcome!

Features

- Strong resistance to oils, hydrocarbons and mild acids
- Easy to deploy
- Washable and reusable

Specifications

- 100% nitrile
- Dimensions: 3 x 1,000 x 1,200mm (h,w,d)
