

Hazero Drain Protector Storage Case - Large

Product Code: 22-1018

Benefits

Drain protectors do a valuable job, are tough, reusable, and cost effective. Taking care of them and making it clear where they are, in case of an emergency, makes absolute sense.

This storage case keeps drain protectors clean, and highly visible – because there's no point having one if no one knows where it is in the event of a spill.

Clearly labelled and UV resistant to help extend the drain protector's working life.
