

Specification sheet

Hazero Aerosol Store – 140 can

Product Code: 41-0204

Benefits

Getting the exact right size when storing aerosol cans is important. Too much capacity and space is wasted. Too little and there's that temptation to leave cans out, or over-crowd. Neither is best practice!

This cabinet hits the sweet spot for medium users. And that includes a whole lot of industries - whether their aerosol cans are for paint, lubricants, cleaning products, tanning paint (don't ask!) or deodorants.

All aerosols can present a real hazard.

This locally designed and fabricated cabinet provides projectile protection (worst case scenario) and keeps cans securely locked-up and away from heat sources or damage by machinery.

Features

- New Zealand designed and fabricated
- Projectile protection keeps people and property safe
- Side wall perforation supports ventilation requirements
- 1 removable shelf (plus base)
- Practical design encourages compliance

- Complies with the design requirements of AS4332-2004.
- Weight: 29kgs
- External dimensions: 770 x 753 x 545mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used. If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
