## Hazero Aerosol Store – 280 can

Product Code: 41-0205

### Benefits

The larger the number of aerosol cans stored, the greater the need for safety and security.

This fully-compliant cage will help protect people and property. And it minimises the risk of cans leaking or being damaged by keeping them separated from potential impact by equipment and from heat sources. (Not to mention theft or misuse.)

It's also excellent value. It's New Zealand designed and fabricated for our conditions and has three removable shelves plus the base, so there's ample storage for most industries' needs.

### Features

- New Zealand designed and fabricated
- Projectile protection keeps people and property safe
- Side wall perforation supports ventilation requirements
- Practical design encourages compliance
- 3 removable shelves (plus base)
- Lockable to discourage theft or misuse
- Four levels of storage
- Option of hinging doors left or right to suit the space
- Adjustable feet to keep everything stable
- Hazero Shield of Honour

### Specifications

- Complies with the design requirements of AS4332-2004.
- Weight: 49kgs
- External dimensions: 1,395 x 753 x 545mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
