Hazero Corrosive Liquid Cabinet – 100L

Product Code: 41-0803

Benefits

Under-bench makes sense where corrosive liquids (and other dangerous goods) are concerned. It keeps work surfaces free and means corrosive liquids are well out of the way – minimising risk.

With double doors, this locally designed cabinet combines easy access and Class 8 corrosive liquids safety. Two PVC spill trays give the confidence busy staff need.

Features

- New Zealand designed and fabricated
- Double self-closing doors
- Lockable non-spark closure
- One adjustable perforated shelf (plus base)
- Two PVC spill trays
- Adjustable feet to keep everything stable.
- Hazero Shield of Honour

Specifications

- Supplied with Class 8 decals
- Built to comply with the requirements of AS3780.
- Weight: 83kgs
- Internal dimensions: 460 x 1,010 x 410mm (h,w,d)
- External dimensions: 785 x 1,100 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
