

Specification sheet

Hazero Corrosive Liquid Cabinet – 160L

Product Code: 41-0804

Benefits

With the option of a wall bracket (to keep everything stable) and an additional shelf for extra storage – this Class 8 corrosive liquids cabinet covers all the bases. Fabricated here in New Zealand – it's robust and practical with everything you need and nothing you don't.

Compliant and durable, it helps keep staff and their workplace safe and protects corrosive liquids from misuse or theft.

Features

- New Zealand designed and fabricated
- Double self-closing doors for first-line-of-defence security
- Lockable non-spark closure
- One adjustable perforated shelf (plus base)
- Two PVC spill trays
- Adjustable feet to keep everything stable.
- Hazero Shield of Honour

Specifications

- Supplied with Class 8 decals
- Built to comply with the requirements of AS3780.
- Weight: 108kgs
- Internal dimensions: 895 x 1,010 x 410mm (h,w,d)
- External dimensions: 1,230 x 1,100 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
