## Hazero Corrosive Liquid Cabinet – 250L

Product Code: 41-0805

### Benefits

Used in New Zealand industries including; cleaning, food processing, hospitals, hospitality and agriculture this well designed and sturdily built cabinet allows connection to external ventilation. (Just in case!)

Adjustable shelves, in addition to the base, provide flexibility. The key to its success is the combination of sturdy construction and fit-for-purpose flexibility. Shelf configuration means a variety of sizes of Class 8 corrosive liquids can be safely and securely housed.

### Features

- New Zealand designed and fabricated
- Double self-closing doors for easy access
- Two adjustable perforated shelves, plus base
- Three PVC spill trays
- Lockable, non-spark closure provides safety and security
- Practical design encourages compliance
- Versatile, multi-option storage space
- Hazero Shield of Honour

### Specifications

- Built to comply with the requirements of AS3780
- Weight: 140kgs
- Internal dimensions: 1,480 x 1,010 x 410mm (h,w,d)
- External dimensions: 1,805 x 1,100 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
