

Hazero Everyday Spill Kit - Chemical - 100L

Product Code: 13-1005

Product Features

A quick response is absolutely essential when dealing with spills of acids, bases, and other aggressive chemicals. This specialised kit is ready to take on the challenge and provide the protection that workers, workplaces and the environment need.

Mobile, so it can be at the right place at the right time, it's stocked with specialist absorbents capable of dealing with harsh acids, along with PPE gear to keep the responder safe. A tamper tag provides peace of mind that all essential products are there and ready to go.

Refill kit: 13-1005R.
