Hazero Gas Cylinder Store – Extra Small

Product Code: 41-0207

Benefits

BBQs. Kiwi as. Eh? But the LPG bottles that typically come with them need to be kept an eye on. Much like when you're cooking snarlers. But with much more explosive potential!

LPG gas is highly flammable and if it's stored incorrectly can result in fire or even suffocation. Durable, and compact, this Class 2 Hazero Gas store safely and securely houses up to 2 x 9kg LPG gas bottles. It's ideal for smaller businesses.

To avoid theft or misuse, secure it with a padlock.
