Hazero Gas Cylinder Store – Small

Product Code: 41-0208

Benefits

Storing gas cylinders safely is essential to protect people and property. And it needs to be in a cabinet that is compliant and robust enough to take the odd knock without putting anyone in danger.

This Hazero Gas Store has specially designed ventilation for air circulation. Along with adjustable feet - so everything is on the level. And, to avoid theft or misuse, it can be padlocked. Left or right hinging means it fits a range of layouts without compromise.

(Remember, in addition to having "no smoking" signs the cabinets should be in areas clear of any combustibles.)
