Hazero Gas Cylinder Store – Extra Large

Product Code: 41-0211

Benefits

Designed to store up to 6 x S-size or 12 x G-size cylinders outdoors, this cabinet is sturdy, durable and makes excellent use of space. Relocatable by forklift when empty and kitted out with restraining chains.

Large, double doors provide product visibility and easy access when handling large, unwieldy (and heavy!) cylinders.

For everyone's safety and to avoid theft, we'd advise locking these outdoor units.
