Hazero IBC Hardcover

Product Code: 01-1097

Benefits

New Zealand weather can be a bit unpredictable. That means IBC's (Intermediate Bulk Containers) need a bit of extra protection so they can do their job and keep your site, and environment safe.

An economical, instant, and compliant storage solution for a single IBC unit, this Hazero IBC Hardcover keeps the rain off and is fit for purpose for dangerous substance storage and containment. It's hi-vis, robust, and long-lasting - which is what you need.

Access is easy. But when not in use, the reliable locking system will secure your chemicals from unauthorised access, protecting people and property from harm.

Features

- Rustproof and corrosion proof
- Double swing doors with three-point locking mechanism
- Two litre in-platform drip tray
- Headroom for IBC mixers, funnels and pumps
- Door vents for inspection and air circulation
- Roof designed for quick rainwater run-off
- Flat pack shipping
- Easy assembly
- Forkliftable (when empty) for easy relocation
