Hazero Lithium-ion Battery Safety Cabinet – Compact

Product Code: 41-0102

Benefits

A taller version of the entry-level, smaller cabinet, this unit will provide you with safe storage for Lithium-ion batteries.

Ideal for domestic use (think e-scooters, e-bikes and power tools), and smaller businesses, this keeps the potentially highly flammable batteries contained and away from people and property should the worst happen.

Perfect for smaller commercial workspaces, laboratories, workshops and building sites.

Features

- Space-efficient
- Compact, and durable
- Designed and fabricated in New Zealand
- Lockable self-closing door for safety and security
- Adjustable perforated shelf (plus base)
- Easy to clean built-in sump
- Adjustable feet to keep everything stable
- Hazero Shield of Honour

Specifications

- Supplied with relevant hazard decals
- Follows the design requirements of AS1940:2017.
- Weight: 68kgs
- Internal dimensions: 895 x 505 x 410mm (h,w,d)
- External dimensions: 1,230 x 600 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.

Please note: A 24-month warranty applies to electrical components on Hazero stores.
