Hazero Lithium-ion Battery Safety Cabinet – Mini

Product Code: 41-0101

Benefits

The smallest of the Hazero Lithium-ion Battery Safety Cabinets, this nifty little unit provides a cool, dry and secure space to safely storing the Lithium-ion batteries for your power tools, garden, or leisure equipment; e-scooters and e-bikes - that kind of thing.

Double walled, to mitigate and slow heat transfer (both in and out), it gives you peace of mind and provides precious extra minutes in the event of a battery failure and/or battery fire.

Features

- Compact, and durable
- Designed and fabricated in New Zealand
- Lockable, self-closing door for safety and security
- Adjustable perforated shelf (plus base)
- Easy to clean built-in sump
- Adjustable feet to keep everything stable
- Hazero Shield of Honour

Specifications

- Supplied with relevant hazard awareness decals
- Follows the design requirements of AS1940:2017.
- Weight: 50kgs
- Internal dimensions: 460 x 505 x 410mm (h,w,d)
- External dimensions: 785 x 600 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
