

Specification sheet

Hazero Organic Peroxide Cabinet – 250L

Product Code: 04-0511

Benefits

Using larger amounts of organic peroxides in a work place brings a bigger burden of care. Very unstable, organic peroxides need to be strictly segregated from other chemicals and protected from heat or impact of any kind.

This cabinet goes above and beyond both build requirements and compliance to safeguard Class 5.2 substances and everyone who works with them or near them.

A tried and trusted solution to hold these very dangerous products, the cabinets are deliberately over-designed and over-engineered for everyone's wellbeing and peace of mind.

Features

- New Zealand designed and fabricated
- Sized for businesses using large amounts of organic peroxide
- Self-closing, close-fitting, non-latching door (as required by the Standard)
- Two adjustable shelves (plus base)
- High-spec safety performance – reducing risks from of heat, friction and contact with incompatible substances
- Adjustable feet to keep everything stable
- Hazero Shield of Honour

- External dimensions: 1,805 x 1,100 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
