Hazero Organic Peroxide Cabinet – 30L

Product Code: 04-0507

Benefits

Class 5.2 organic peroxides are highly unstable, and storage needs to be well away from processing and handling areas, and even further from heat sources (including direct sunlight) and incompatible materials.

This 30L cabinet is purposely built to store small amounts of organic peroxides safely, keeping in mind the tips above. Access is easy and contents are visible at a glance which is handy.

Features

- New Zealand designed and fabricated
- Sized for businesses using small amounts of organic peroxide
- Minimal size, maximum safety performance
- Self-closing, close-fitting, non-latching door (as required by the Standard)
- One adjustable perforated shelf (plus base)
- Protects people and property by reducing risk
- Adjustable feet to keep everything stable
- Hazero Shield of Honour

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
