

Specification sheet

Hazero Organic Peroxide Cabinet – 350L

Product Code: 04-0512

Benefits

Organic peroxides burn easily and can give off flammable gases. When there are substantial amounts of the product in a workplace that means extra care is important to protect everyone.

Hazero cabinets go beyond Class 5.2 substances compliance to protect people at their workplace.

We go above and beyond to safeguard people with products that are deliberately over engineered to help ensure everyone comes home safe at night.

Features

- New Zealand designed and fabricated
- Designed for high and regular users of organic peroxide
- Self-closing, close-fitting, non-latching door (as required by the Standard)
- Two adjustable shelves (plus base)
- High-spec safety performance – reducing risks from of heat, friction and contact with incompatible substances
- Adjustable feet to keep everything stable.
- Hazero Shield of Honour

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
