## Hazero Outdoor DG Store - 1000L

Product Code: 41-0906

### Benefits

Ideal for industries including agriculture, manufacturing, and local government, these flexible locally designed and manufactured stores “get” Kiwi needs.

Capacity is combined with sturdy engineering and practical features that encourage best practice and keep things tidy – whether you’re storing drums, smaller containers or both. (Just remember to check they’re compatible.)

It’s far cheaper than knocking-up a new building or extension and looks the part too.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn’t meet your expectations over the next 99 years, we or our descendants (we’re a multi-generational company), will refund, replace, or repair it. Free of charge.
