## Hazero Toxic Substance Cabinet – 160L

Product Code: 41-0604

### Benefits

Every business or facility has different needs when it comes to managing Class 6 liquids. Upright with double doors the well thought out design provides the option of storing drums and/or small containers – whatever works best.

They're fully bunded, for extra assurance.

Stock can be seen at a glance. This minimises the risk of theft and makes re-ordering easy – saving time and improving workplace efficiency. (No more – "I thought we had that" moments.)

### Features

- New Zealand designed and fabricated
- Medium capacity, high-specification, proven performance
- Lockable non-spark closure
- Double, self-closing doors
- One adjustable perforated shelf (plus base)
- All-round dependability and proven performance
- Adjustable feet to keep everything stable
- Hazero Shield of Honour

### Specifications

- Internal dimensions: 895 x 1010 x 410mm (h,w,d)
- External dimensions: 1,230 x 1,100 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
