

Specification sheet

Hazero Toxic Substance Cabinet – 30L

Product Code: 41-0601

Benefits

Class 6 toxic and infectious substances need robust storage and management protocols. Even the smallest amounts require high levels of security. (Cyanide and other potentially lethal substances are not something that should be left sitting on a benchtop.)

These fully-featured, compact, locally designed cabinets are ideal when it comes to safeguarding people from harm. As an added precaution, cabinets should be located near effective handwashing facilities to ensure safe work-hygiene practices.

Features

- New Zealand designed and fabricated
- Lockable, self-closing door
- One adjustable perforated shelf (plus base)
- Extra safety built-in
- All-round dependability and proven performance
- Adjustable feet to keep everything stable
- Hazero Shield of Honour

Specifications

- Supplied with Class 6 decals
- Built to comply with the requirements of AS/NZ4452 standard.
- Weight: 50kgs
- Internal dimensions: 460 x 505 x 410mm (h,w,d)
- External dimensions: 785 x 600 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
