

Specification sheet

Hazero Toxic Substance Cabinet – 350L

Product Code: 41-0606

Benefits

This larger-scale, high spec. Class 6.1 and 6.2 toxic and infectious substances storage ensures safety and compliance.

Protecting people, property and the planet were uppermost when these cabinets were designed. Built to last, they are also suited to the wear and tear of everyday use.

Remember: Always locate cabinets away from entrances and exits, and near effective handwashing facilities. Robust systems for safe use and monitoring of contents, and relevant safety gear and training are not just “nice-to-haves” they are absolutely essential!

Features

- New Zealand designed and fabricated
- Non-spark closure removes a potential ignition point

The Hazero Shield of Honour is more powerful than a “lifetime guarantee”.

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
