

Specification sheet

Hazero Toxic Substance Cabinet – 60L

Product Code: 41-0602

Benefits

This cabinet's extra height gives more options for storing larger toxic substances, without compromise. And there's the advantage of more available floorspace.

Sturdy, and Kiwi designed, these purpose-built Class 6 toxic substance cabinets provide security and compliance – for businesses' peace of mind.

As with all toxic cabinets we'd recommend taking extreme care when deciding where you'll locate it. Adjacent hand washing is common sense, and they should never be near entrances or exits.

Features

- New Zealand designed and fabricated
- Medium capacity, high-spec performance
- Optimal space in a small footprint
- Lockable, self-closing door
- One adjustable perforated shelf (plus base)
- All-round dependability and proven performance

- Internal dimensions: 895 x 505 x 410mm (h,w,d)
- External dimensions: 1,230 x 600 x 500mm (h,w,d)

The Hazero Shield of Honour is more powerful than a "lifetime guarantee".

It means our reputation is on the line not only when a product is sold, but every single time it is used.

If the product doesn't meet your expectations over the next 99 years, we or our descendants (we're a multi-generational company), will refund, replace, or repair it. Free of charge.

You don't need a receipt. Or even a reason. No questions asked.

Naturally, that's so long as you use your Hazero product as intended and in accordance with existing legislation.

Shield your people. Shield your business.
