

Specification sheet

New Pig Spill Deck - 2 Drum with Bladder

Product Code: 01-1083

Benefits

When compliance is a real challenge, here's a very practical solution.

Storing up to 2 x 200L drums, this New Pig Spill Deck with Bladder provides businesses with total peace of mind. And that's without breaking the bank or taking up unnecessary floorspace - because the New Pig Bladder Attachment only deploys when the sump is full.

It's tough, reliable and provides superior performance and protection for workplace and worker safety.

Assembly required.

Features

- 100% polyethylene - no rust or corrosion
- Low profile, compact design
- Additional 208L spill containment
- Seamless flow-through from sump to bladder
- Bladder only deploys once the sump is full
