

Specification sheet

New Pig Spill Deck - 4 Drum with Bladder

Product Code: 01-1084

Benefits

Surprisingly compact, considering its 4 x 200L drum capacity, this New Pig Spill Deck with Bladder is no slouch. Designed and built to take the knocks in 100% polyethylene it provides an efficient working height and safeguards workplace and worker safety.

Superior spill management and containment is delivered thanks to the New Pig Bladder Attachment which deploys only when the, already substantial, sump is full. Assembly required.

Features

- 100% polyethylene - no rust or corrosion
- Low profile, space efficient design
- Additional 208L spill containment
- Seamless flow-through from sump to bladder
- Bladder only deploys once the sump is full

Specifications

- Max load: 2,720kgs
- Sump capacity: 375L
- Weight: 32kgs
- Dimensions: 146 x 1,320 x 1,320mm (h,w,d)
