## REFILL - Hazero Premium Spill Kit - General Purpose - 100L

Product Code: 13-1087R

### Product Features

There's being prepared, then there's the next level up. Having the refill ready to go. The Hazero Premium Spill Kit - General Purpose - 100L should be replenished, using this refill, as soon as practicable after a spill incident. That's ensures everything that's required to deal with almost any contamination incident is right where it's needed.
